

An illustrative presentation of our products' CE markings.

The complete CE marking includes:

- 1 The name or identifying mark of manufacturer and product
- 2 0672 = Number of the notified body and number of the CE Certificate of Conformity
- 3 Number of the European Technical Approval
- 4 The last two digits of the year in which the marking was affixed
- 5 Outer thread diameter and length of the self-tapping screws
- 6 Details regarding the corrosion protection and/or material number in the case of stainless steel

Otto-Graf-Institut
Materialprüfungsanstalt - Universität Stuttgart

Notified body 0672

Certificate of factory production control
0672

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the

construction product: **SPAX self-tapping screws for use in timber structures**
produced in the factory: **SPAX International GmbH & Co. KG, Kölner Straße 71-77, 58256 Ennepetal / Germany**
by the manufacturer: **SPAX International GmbH & Co. KG, Kölner Straße 71-77, 58256 Ennepetal / Germany**

is submitted by the manufacturer to the initial type testing of the product, a factory production control at the factory that the notified body

Materialprüfungsanstalt der Universität Stuttgart
MPA Stuttgart - Otto-Graf-Institut (FMPA)
Postfach 80 11 40
70511 Stuttgart / Germany

has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate with the number **0672 - CPD - I 14.12.17** attests that all provisions concerning the attestation of factory production control described in the Section 3 of the European Technical Approval **ETA-12/0114** by **ETA-Danmark A/S, Charlottenslund / Denmark** were applied.

Hence, the company is entitled to label the building product of the manufacturing plant **SPAX International GmbH & Co. KG, Kölner Straße 71-77, 58256 Ennepetal / Germany** with the EU conformity marking (CE-mark).

This certificate was first issued on 06.08.2012 and remains valid as long as the conditions laid down in the harmonised technical specification in reference to the manufacturing conditions in the factory of the factory production control leaf are not modified significantly.

Our commitment at SPAX International

Quality control and adherence to the applicable regulations; these are the fundamental elements which set SPAX International Products apart from the rest. We constantly strive to fulfil this.

The CE marking alone does not change the original product features. But as a specialist dealer and user it does offer you an additional advantage in the form of greater product reliability.

With transparent documentation, you are able to recognise the manufacturer immediately. SPAX Made in Germany.
